26	
28	
30	

STEPS TO FOLLOW TO FILL OUT THE MATRIX

1. Specify the requested size of the cushion W _____ " x D _____ "
2. Specify the cell height _____. If different heights are needed, indicate 2, 3 or 4 in each square to show each cell height.
3. Specify the number of valves as well as the valve position by writing a "V". If more than one valve is required, draw a line to show the compartment area.
4. If cells are not required, indicate an "X" in the square.

THE COLORS ARE USED TO SHOW THE DIFFERENT CELL HEIGHT POSSIBILITIES

The CG Air DELUXE can be personalized to the needs of the user as a custom request. The cells are available in heights of 2", 3" and 4". The CG Air DELUXE is a cushion that shapes to the user's body offering optimal pressure distribution and reducing shear forces as well as the channeling of the legs which will increase lateral stability.
